Inaugural Rubber Duck Derby & Carnival

Adopt a Duck!

Simpora Foundation is excited to announce our **2nd Annual Rubber Duck Derby!**

What is a Rubber Ducky Race, you ask? The rubber ducks will be launched near the Sheep River Bridge with the assistance of a few local mascots. The rubber duckies will journey down the river, under the Laurie Boyd bridge to the finish line. If your adoption paper's number matches the number on the bottom of the winning duck... you win!

To participate, adopt a duck or a flock and cheer on your ducks as they sail through the river to the finish line. One lucky duck will win the first place prize of \$2000.00, second place winner \$1000.00, third place \$500.00 and last place \$500.00.

Will you adopt the lucky duck?

Volunteers with Simpora Foundation will make sure that no duck is left behind.

DUCK ADOPTION: up to 2,400 ducks available!

Price \$100.00

2nd Annual Rubber Duck Derby & Carnival

What is Simpora Foundation?

Simpora Foundation is a local, non-profit association committed to building a strong foundation for athletes based on three pillars - sport, health and the community.

From a young age, competition is something we participate in, watch, pay money for and love. Sports clubs bring communities together and in many rural towns when the local teams win, the community also wins. Our society has given athletes a huge leadership position and the opportunity to be role models within our communities.

At Simpora Foundation, we believe that giving back to the community provides many benefits to an individual's mental and physical health. Mental fitness and physical health have been observed through the Latin motto "mens sana in corpore sano" (a healthy mind in a healthy body) for centuries. Studies have shown that actively participating in your community brings a sense of connection, strength and solidarity to the individual.

Simpora Foundation is committed to immersing local athletes into their community. We believe that athletes have a strong influence on younger athletes. They serve as role models by promoting healthy living, social responsibility, and education. As mentors, they are molding well-rounded individuals to learn the principles of hard work, self-confidence, leadership, resilience and teamwork.

To support our initiatives, the 2nd Annual Rubber Duck Derby and Carnival will take place on Saturday September 14, 2024. The rubber ducks will be launched at Sheep River Park and the winner will cross the finish line, just east of the Laurie Boyd bridge. A multi-generational Family Fun Carnival will be waiting after the rubber ducks cross the finish line. Spend the afternoon having fun playing games, dunking local celebrities in our dunk tank, winning prizes, eating local food and enjoying local beverages.

Building a healthy future for athletes and their communities
